Prelude and Fanfaronade

Paul Koepke

Arranged by David Marlatt

This is a terrific feature for the trombone player in a brass quintet setting. Originally, this piece was for trombone and piano and published in 1958 by Rubank, Inc. It has been played by countless high school trombonists as a tool to develop their slide technique and refine their sound. This Paul Koepke classic, combining lyrical playing and technical passages, is an ideal showpiece for developing students.
