Shadows of the Pyramids

MOVEMENT I-Sands of Time, Ra-the Sun God and Apophis-the Serpent

David Marlatt

This is a section from a 13 minute work for 20 trumpets, piano and percussion. This piece was commissioned by Kevin Eisensmith of the Indiana University of Pennsylvania who wanted to add a work, substantial in length, to the repertoire of the trumpet ensemble. The resulting piece demonstrates the various colours available to the trumpet ensemble. Extensive use of mutes and 5 flugel horns helps to add variety to the timbre. The piece is based on the Egyptian story of Ra, the Sun God, one of the most important characters in their mythology.

PREVIEW ONLY

David Marlatt has composed pieces for concert band, string orchestra, brass quintet, trumpet ensemble, piano, tuba and trumpet. His writing style is diverse and he has written for a wide range of difficulty levels from very young concert band to professional brass quintet. His jazz based trumpet ensemble pieces Groovy Vamp and A Coconut Named Alex have been well received by audiences everywhere and his concert band compositions are found on many festival lists. He has also arranged over 800 pieces of repertoire from the Baroque to the Romantic eras such as Monteverdi madrigals, a large suite of music from Handel's Messiah, Largo from New World Symphony and even Mahler's First Symphony.

Mr. Marlatt is a trumpet player who obtained a music education degree from the University of Western Ontario, Canada. He was Principal Cornet in the Whitby Brass Band for 6 years and founder of the trumpet ensemble Trumpets in Style. As a performer, he has played in jazz bands, brass quintets, orchestras, concert bands, brass bands and period instrument ensembles.

*Please contact the composer if you require any further information about this piece
or his availability for commissioning new works and appearances.*
