

Sonata Piano e Forte

Giovanni Gabrieli
Arranged by Eric Swisher

This well-known sonata by Gabrieli has been performed and recorded by many brass ensembles. This arrangement utilizes the idea of Renaissance consorts. While modern brass instruments are not generally used in true consorts one can group instruments according to bore shape thus approximating a consort. To that end, the first choir uses trumpets (cylindrical instruments) while the second uses flugelhorns (conical instruments). This will yield a well-balanced and blended sound within each choir while allowing the listener to follow the performers through the contrasting timbres of the two choirs. Strive to keep the sound full, rich and resonant. Resist the temptation to slow the tempo too much.
