## Earthscape

David Marlatt

*Earthscape* is a lyrical piece inspired by the view of our planet from space. In the silent, black vacuum of space exists this bright blue planet, slowly rotating, giving astronauts a serene and breathtaking view of the only source of life in our solar system. The mountains, polar ice caps, rain forests and oceans paint a beautiful picture for those lucky enough to see it from afar.

This work features the quintet in a peaceful mood and offers the opportunity for some soloistic playing by the flugel horn player.
