

Tico Tico

Zequinha de Abreu

Arranged by David Marlatt

This classic Latin piece has become a favorite with audiences all over the world. The great groove of the tune will quickly catch the audience and transport them to a warmer climate.

This is a trumpet solo from beginning to end but the flugel horn and euphonium get some great parts as well. The piccolo trumpet part adds a unique sound (and another octave) to the ensemble but the piece works fine without it. This shouldn't take much time to put together and you'll be guaranteed standing ovations!
