## ‘Tis the Season to Get Funky Deck the Halls

Welsh Carol  
*Arranged by Ryan Meeboer*

This is a slower, laid back version of the popular Christmas song. Throughout the chart, the tuba plays a classic funk bass line. The melody is mainly performed by trumpet 1 and horn. During these times, trumpet 2 and the trombone either provide some ‘comping’ chords, or harmonic support. Balance is important so that the melody is always heard, and the other instruments are careful with dynamics, as their role is important in the style, but are meant to support the melody (especially at measure 29 when the trombone plays the tune).
