Concerto grosso

R 533.2

Alessandro Scarlatti (Arr.: Colette Mourey)

English: The *Concerto Grosso R 533.2* by Alessandro Scarlatti reflects the elegance and refinement characteristic of the Italian Baroque style. One of the leading composers of his time, Scarlatti combines melodic expressiveness with rhythmic vitality in a remarkably clear musical language. The work is distinguished by the constant interplay among the different voices, creating a subtle balance between contrast and unity. Its movements alternate between solemn passages and more lively, radiant sections, revealing the richness of the composer's musical expression. This arrangement by Colette Mourey preserves the original spirit of the score while offering a renewed perspective. It highlights the sophistication of the contrapuntal writing and the variety of tonal colors. The *Concerto Grosso R 533.2* thus stands as a fine example of Baroque art, where formal rigor and expressive depth are brought together in harmonious balance.
