Concerto in Eb

Op. 109

Alexandre Glazounov (Arr.: Michal Worek)

English:

Composed in 1934, Alexander Glazunov's Concerto in E-flat major, Op. 109, is one of the Russian composer's last major works. This piece captivates audiences through its balance of virtuosity and expressiveness, as well as the beauty of its melodies. Rather than following the traditional multi-movement form, the concerto unfolds as a continuous musical journey in which contrasting moods flow naturally from one to another. By turns lyrical, brilliant, and tinged with nostalgia, Glazunov's music reveals a refined and deeply Romantic sound world. His elegant and generous musical language highlights expressive depth as much as technical brilliance. Accessible and engaging, this concerto reflects the artistry of a composer who preserved the Romantic tradition while imbuing it with his own distinctive voice.

Français:

Composé en 1934, le Concerto en mi bémol majeur op. 109 d'Alexandre Glazounov est l'une des dernières grandes œuvres du compositeur russe. Cette partition séduit par son équilibre entre virtuosité et expressivité, ainsi que par la beauté de ses mélodies. Contrairement à la forme traditionnelle en plusieurs mouvements distincts, l'œuvre se déploie dans un seul élan musical, où les différentes atmosphères s'enchaînent naturellement. Tour à tour lyrique, brillante et empreinte de nostalgie, la musique de Glazounov révèle un univers raffiné et profondément romantique. Son écriture, à la fois élégante et généreuse, met en valeur l'expressivité tout autant que la virtuosité. Accessible et captivant, ce concerto témoigne du talent d'un compositeur qui a su préserver la tradition romantique tout en lui apportant sa sensibilité personnelle.

Deutsch:

Das 1934 komponierte Konzert in Es-Dur op. 109 von Alexander Glasunow gehört zu den letzten großen Werken des russischen Komponisten. Das Werk besticht durch die gelungene Verbindung von Virtuosität und Ausdruckskraft sowie durch die Schönheit seiner Melodien. Anders als die traditionelle Form mit mehreren getrennten Sätzen entfaltet sich dieses Konzert in einem einzigen musikalischen Fluss, in dem die verschiedenen Stimmungen nahtlos ineinander übergehen. Mal lyrisch, mal brilliant und immer wieder von einer gewissen Nostalgie geprägt, offenbart Glasunows Musik eine raffinierte und zutiefst romantische Klangwelt. Seine elegante und zugleich großzügige Tonsprache stellt sowohl die Ausdruckskraft als auch die Virtuosität in den Vordergrund. Dieses zugängliche und fesselnde Konzert zeugt vom Können eines Komponisten, der die romantische Tradition bewahrte und ihr zugleich seine ganz persönliche Handschrift verlieh.
